In this regard, it is to inform you that the state level science essay writing competition will be held on 24.01.2017 from 11.00 A.M. onwards at University College, Kurukshetra. "It is also intimated that the topic of the essay to be attempted by the candidate at state level should be different from that he/she had attempted at the district level. However, the topic chosen at state level will be from the same list provided initially by this office at district level." Other conditions i.e. duration of competition, size of the essay will remain same as that of district level. Answer sheet will be provided to the student by this office and rest of the stationery items have to be arranged by the students themselves. The panel of experts formed at state level will evaluate the entries and on this basis, 13 winners (1st, 2nd, 3rd & 10 consolation prizes) will be declared.

In this regard, you are requested to advise the concerned district level shortlisted above 10 students to participate in the state level science essay writing competition on the date, time and venue indicated above. The students will be paid ordinary bus/train fare (to and fro) on the production of tickets only through NEFT. Bank details in this regard may be provided at the time of the above competition alongwith biodata sheet, so that the reimbursement may be made by this office in the bank account of the students concerned.

Thanking you,

Sd/-
