

Mechanism for the submission of Online/ Offline Students' Grievances

For providing a comfortable and secure environment to students and redressing their grievances, a transparent mechanism is maintained which can be described as under:

- Regular meetings of tutorial representatives with the Principal, Chief tutor and faculty tutors are conducted to get the academic and other complaints of students. Routine problems are addressed in tutorial groups by the respective tutorial incharges.
- A complaint register and complaint boxes are maintained to receive the complaints and grievances from the students. Teachers register complaints in the complaint register, as these are reported by students in their respective tutorial groups.
- As per instructions received from the respective authority, Internal Complaint Committee (ICC) and Anti Ragging Committee including teachers and students of different streams are constituted to prevent sexual harassment and ragging. At the time of admission, it is mandatory for every student to fill in a self-declaration form, regarding non-indulgence in any kind of ragging. Posters as per clause 6(a)(i) to curb ragging are displayed in the college campus.
- Besides all these, counselling to students is provided by the Psychology Department of the College for general grievances submitted by the students like stress, lack of concentration, depression, health issues and career.
- The college faculty members perform discipline duty according to their fixed schedule. An ID card is issued to every student and these are checked by teachers on discipline duty.
- SC/ST/OBC complaint window was formed on the college website during session 2019-2020 where the students can register their complaints.
