Dated: 15-12-99

The Principals of all

the Kurukshetra University,
Kurukshetra.

Subject: Implementation of the scheme of vocationalisation
of education at the first degree level.

Dear Sir/Madam,

As you are aware the scheme of vocationalisation
of education at the first degree level was started with effect
from the session 1994-95. The University Grants Commission has
monitored the implementation of the Scheme and it has been
revealed that among other things, there is a high rate of drop-out
of students and virtual enrolment in the 3rd year of the course
in some of the subjects is between 5 and 10. Therefore, it has been
impressed upon that at least 30 students in each vocational course
should be admitted and the students should show interest and
commitment for the subject. In view of the U.G.C. guidelines, it
has also been decided that if, in spite of making all efforts, any
particular vocational subject does not attract more than 10
students upto the final stage, the same should be discontinued.

You are, therefore, requested to take further
necessary action in this regard accordingly.
