

Report on Curriculum Based Feedback (2023-24)

It has been regular practice of IQAC to take Curriculum Based Feedback from various stake holders like Students, Teachers, Alumni, Employers and Parents. The main objective is to take valuable suggestions to know the area which need changes or improvements and taking action accordingly. During the Session 2023-24 online Curriculum Based Feedback was taken from Students, Teachers, Alumni, Employers and Parents in the month of May, 2024 after the completion of session. After analysis, on the basis of suggestions received, the authorities of the college decide to take corrective action on the relevant suggestions obtained from various stakeholders. Action Taken Report is presented in the meeting of Governing Body for the approval to complete the process.

Action Taken Report on Curriculum Based Feedback taken from Different Stakeholders.

Session (2023-24)

Teachers Feedback

Sr.No	Feedback	Action Taken
1.	Programmes based on Indian Knowledge System should be organized frequently	Five Days Faculty Development Programme on the topic "Maharishi Dayanand Saraswati Ke Chintan Ka Bhartiya Samaj, Sahitya or Sanskriti Par Prabhaav" was organized from 04-11-2023 to 09-11-2023.

Parents Feedback

Sr.No	Feedback	Action Taken
1.	Practical based Learning should be increased in Curriculum.	Due suggestions were given by the faculty who are members in Board of studies of their respective departments.

Students Feedback

Sr.No	Feedback	Action Taken
1.	More educational trips should be organized for experiential Learning.	03 Educational Tours were organized during 2023-24 to fulfill the demand of students. However, Provision for more tours has been included in regular plans of the college.
2.	Internships should be provided in curriculum.	With the introduction of NEP 2020, the requirement has been duly fulfilled as Internship has been made compulsory under NEP 2020.
3.	Computer Courses like Advance Excel and Tally ERP should be provided to students in PG.	To fulfill the requirement, 02 Value Added Courses namely "Advance Excel" and "Spreadsheet Tools Learning" were offered to the students.
4.	More Scholarships should be provided to students belonging to General Category.	More scholarships from Philanthropists on Merit cum Need basis were added to fulfill the requirement.
