

# Dayanand Mahila Mahavidyalaya, Kurukshetra

## Lesson Plan (Even Semester)

Session 2022-23 (01.02.2023 to 26.05.2023)

Name of Teacher : Mrs. Urmila Singh

Subject : Experimental Psychology

| Week | Date                                | Class BA              | Class BA                       | Class BA     |
|------|-------------------------------------|-----------------------|--------------------------------|--------------|
|      |                                     | Semester 2nd          | Semester 2nd                   | Semester 2nd |
|      | 01.02.2023                          | Attention             | -----                          |              |
|      | 02.02.2023                          | Attention             | -----                          |              |
|      | 03.02.2023                          | Attention             | -----                          |              |
|      | 04.02.2023                          | Attention             | -----                          |              |
|      | 06.02.2023                          | Attention             | -----                          |              |
|      | 07.02.2023                          | Attention             | -----                          |              |
|      | 08.02.2023                          | Learning              | Span of Attention              |              |
|      | 09.02.2023                          | Learning              | Span of Attention              |              |
|      | 10.02.2023                          | Learning              | Span of Attention              |              |
|      | 11.02.2023                          | Learning              | Span of Attention              |              |
|      | 13.02.2023                          | Learning              | Span of Attention              |              |
|      | 14.02.2023                          | Learning              | Span of Attention              |              |
|      | 15.02.2023                          | Memory                | Span of Attention              |              |
|      | 16.02.2023                          | Memory                | Span of Attention              |              |
|      | 17.02.2023                          | Memory                | Span of Attention              |              |
|      | <b>18.02.2023</b>                   | <b>Maha Shivratri</b> |                                |              |
|      | 20.02.2023                          | Memory                | Bilateral Transfer of Learning |              |
|      | 21.02.2023                          | Memory                | Bilateral Transfer of Learning |              |
|      | 22.02.2023                          | Memory                | Bilateral Transfer of Learning |              |
|      | 23.02.2023                          | Memory                | Bilateral Transfer of Learning |              |
|      | 24.02.2023                          | Memory                | Bilateral Transfer of Learning |              |
|      | 25.02.2023                          | Forgetting            | Bilateral Transfer of Learning |              |
|      | 27.02.2023                          | Forgetting            | Immediate Memory Span          |              |
|      | 28.02.2023                          | Forgetting            | Immediate Memory Span          |              |
|      | 01.03.2023                          | Assignment No. 1      | Immediate Memory Span          |              |
|      | 02.03.2023                          | Forgetting            | Immediate Memory Span          |              |
|      | 03.03.2023                          | Forgetting            | Immediate Memory Span          |              |
|      | 04.03.2023                          | Forgetting            | Immediate Memory Span          |              |
|      | <b>05.03.2023 to<br/>12.03.2023</b> | <b>Holi Vacations</b> |                                |              |

| Week | Date              | Class BA                                  | Class BA               | Class BA     |
|------|-------------------|-------------------------------------------|------------------------|--------------|
|      |                   | Semester 2nd                              | Semester 2nd           | Semester 2nd |
|      | 13.03.2023        | Mnemonics                                 | Immediate Memory Span  |              |
|      | 14.03.2023        | Mnemonics                                 | Immediate Memory Span  |              |
|      | 15.03.2023        | Mnemonics                                 | Immediate Memory Span  |              |
|      | 16.03.2023        | Mnemonics                                 | Immediate Memory Span  |              |
|      | 17.03.2023        | Problem Solving                           | Long Term Memory       |              |
|      | 18.03.2023        | Problem Solving                           | Long Term Memory       |              |
|      | 20.03.2023        | Problem Solving                           | Long Term Memory       |              |
|      | 21.03.2023        | Problem Solving                           | Long Term Memory       |              |
|      | 22.03.2023        | Problem Solving                           | Long Term Memory       |              |
